

A Wide Variety of Frozen Treats

Baskin-Robbins offers its guests a wide variety of ice cream flavors and frozen treats, including custom ice cream cakes, refreshing frozen beverages, ice cream sundaes and other ice cream novelties.

- **Ice Cream Flavors**

Over the past 70 years, Baskin-Robbins' spirit of fun and innovation has been brought to life through their wide variety of ice cream flavors. What was once a selection of 31 flavors—Baskin-Robbins “31®” stands for a different ice cream flavor for each day of the month—has grown to more than 1,300 in its flavor library.

Baskin-Robbins' Flavor of the Month program and popular seasonal flavors that rotate through our shops helps us deliver on the “there’s always something new” promise at Baskin-Robbins.

Baskin-Robbins' top selling ice cream flavors are Vanilla, Chocolate, Mint Chocolate Chip, Pralines 'n Cream, and Chocolate Chip. We encourage a “more flavors, more fun” attitude, which is why we offer our guests a pink spoon sample whenever they enter a Baskin-Robbins restaurant, so they can take a flavor adventure and try new ice cream creations.

- **Ice Cream Cakes**

Baskin-Robbins is a global ice cream cake innovator, and the brand's unique cake designs and options for customization are what make birthdays, holidays, and special occasions more of a celebration for guests and their families and friends.

Baskin-Robbins' variety of ice cream cakes can be customized with a guest's favorite ice cream and cake flavor combination and they can also be personalized with a special message. We have designs for every occasion: birthdays, graduation, Mother's Day, Father's Day, Halloween and even Thanksgiving.

- **Frozen Beverages**

Baskin-Robbins has a growing line of beverages, including Fruit Blasts, Smoothies, Cappuccino Blast®, Iced Cappy Blast, milkshakes, floats, freezes and Ice Cream Sodas.

- **Warm Cookie Ice Cream Sandwiches**

Baskin-Robbins' new Warm Cookie Ice Cream Sandwiches bring together two of America's most popular treats – cookie and ice cream – as one delectable dessert that can be enjoyed as a sandwich or as a sundae. Baskin-Robbins' Warm Cookie Ice Cream Sandwiches and Sundaes can be personalized with a guest's choice of warm cookies, their favorite ice cream flavor and topping.

The chewy, warmed to order cookie options include Dark Chocolate Chunk, Double Fudge, Peanut Butter Chocolate and White Chunk Macadamia Nut Cookies. Guests can choose their cookie and mix and match more than one type of cookie in their sandwich or sundae for the ultimate flavor experience.

- **Ice Cream Sundaes**

Baskin-Robbins' line of premium sundaes and classic sundaes can be made to order and can feature classic toppings like hot fudge, whipped cream and a wide selection of candy or fruit toppings.

Specialty sundaes such as the Warm Brownie Sundae and the Warm Cookie Sundae combine cold ice cream with a warm bakery item to create the ultimate dessert.
